JOINT COMMUNIQUÉ
ON THE ESTABLISHMENT OF DIPLOMATIC RELATIONS
BETWEEN
THE SOCIALIST REPUBLIC OF VIET NAM
AND
TUVALU

The Government of the Socialist Republic of Viet Nam and the Government of Tuvalu,

With the desire to strengthen and develop the relations of friendship and cooperation between the two countries and peoples,

In the framework of the objectives and principles enshrined in the United Nations Charter, international law and the articles of the Vienna Convention on Diplomatic Relations, signed on 18 April 1961, particularly as they relate to respect for and promotion of equality among States, national sovereignty, maritime and territorial integrity, non-interference in the internal affairs of States, and international peace and security, which can be achieved by maintaining the well-being of global populations and environments,

Recognizing climate change as a shared global problem, and, as confirmed by the International Court of Justice, the statehood and sovereignty of states will continue, notwithstanding the impact of climate change-related sea-level rise,

Have decided to establish diplomatic relations at the Ambassadorial level between the two countries through the signing of this Joint Communiqué.

In witness whereof, the undersigned Representatives, duly authorized by their respective Governments, have signed this Joint Communiqué.

This Joint Communiqué will enter into force upon signing.

Done in New York City, USA on 24 September 2025 in duplicate in English.
