Desiring to strengthen the friendly relations and cooperation between two countries;

6. *This Arrangement shall not curtail the right of the competent authorities of either Party to refuse admission or shorten the stay in their territory of citizens of the other Party for reasons including, but not limited to, national security, public order or protection of public health in accordance with their respective laws, regulations and policies.*

7. *A citizen of either Parties whose valid diplomatic or official passport is lost or has been damaged while in the territory of the other Party shall inform the authorities concerned of the other Party. The diplomatic mission or the consular post of the first Party shall issue such citizen a public instrument attesting such fact to facilitate him/her to continue his/her stay in that territory or to return to his/her country, and shall inform the appropriate authorities of the other Party, upon issuing a new diplomatic or official passport or relevant travel document.*

8. *For the purposes of this Arrangement, each Party shall transmit to the other, through diplomatic channels, no later than thirty (30) days after the effective date of this Arrangement, the specimen of its respective diplomatic or official passports including a detailed description of each specimen currently used.*

9. *Each Party shall also transmit to the other, through diplomatic channels, a specimen of its new or modified diplomatic or official passport, including a detailed description of such specimen at least thirty (30) days or such other period deemed appropriate by that Party before it is brought into force.*

10. *Each Party shall undertake to observe the confidentiality and security of documents, information and other data received or supplied to the other Party during the period of the implementation of this Arrangement and both Parties agree that the provisions of this Paragraph shall continue to be binding notwithstanding the termination of this Arrangement.*

11. *Any difference or dispute arising from the interpretation and/or implementation and/or application of any of the provisions of this Arrangement shall be settled amicably through mutual consultation and/or negotiations through diplomatic channels.*

12. *The provisions of this Arrangement may be amended, modified or revised by mutual consent. Such amendments, modifications or revisions shall be reduced in writing through diplomatic channels, and shall enter into force on such date as may be determined by both Parties which shall form an integral part of this Arrangement. Any amendment, modification or revision shall not prejudice the rights and obligations arising from or based on this Arrangement before or up to the date of such amendment, modification or revision.*

13. *Either Party may partially or fully suspend the implementation of this Arrangement temporarily for reasons of national security, public order or public health. The commencement and termination of such suspension shall be notified as soon as possible through diplomatic channels.*

14. *This Arrangement shall replace the 1997 Visa Exemption Arrangement and shall remain in force for an indefinite period. Either Party may terminate this Arrangement by notifying the other Party of its intention to terminate by a notice in writing through diplomatic channels. Any such termination shall take effect thirty (30) days after the date of such notification.*

If the proposal set forth herein is acceptable to the Government of the Socialist Republic of Viet Nam, the Government of Brunei Darussalam proposes that this Note and the Affirmative Note in reply of the Government of the Socialist Republic of Viet Nam shall constitute the Arrangement between the Government of Brunei Darussalam and the Government of the Socialist Republic of Viet Nam for holders of valid diplomatic and official passports, which shall enter into force thirty (30) days from the date of receipt of the Affirmative Note in reply.
